

The local voice of learning disability

## **Mary Codling - Primary Healthcare Lead Nurse for LD - Contact Details.**

Mary Codling was employed as a clinical Primary healthcare lead for the delivery of annual health checks in the Wokingham locality. Mary has worked with GP practices in Wokingham over the last few years to develop standardised training for the Directed Enhanced Service for health checks for People with Learning Disabilities. This is to ensure both a consistent approach and compliance with the training requirements of the DES. Mary's role has been expanded to include the Reading locality and to date Mary has delivered the training to some practices in Reading. Mary is based at Wokingham hospital and can be contacted via email at [mary.codling@berkshire.nhs.uk](mailto:mary.codling@berkshire.nhs.uk) or by phone on 0118 9492932.
